

Joe McKeown
General Manager,
Eagle & Myslik Inc.

Joe joined Team Eagle in 2019 as the Great Lakes Regional Territory Manager where he was responsible for supporting commercial airports around the Great Lakes in Canada and the US with sales, service and parts. Outside of this role, Joe has enjoyed supporting various research and development projects, software projects and software sales.

In January 2022, Joe became the General Manager of Eagle and Myslik Inc., where he oversees all US business operations. Joe takes great pride in being part of his family's business and enjoys working on the growth of the company while maintaining the highest level of service and support for our customers.
