

Brian Freed, CFA  
COO,  
Eagle Aerospace

Brian is the Chief Operating Officer at Eagle Aerospace Ltd. (a Team Eagle Company) where he leads the product and go-to-market strategy for the company's digital solutions portfolio dedicated to creating the safest and most efficient runway/airfield operations around the world.

Previously, Brian served as Chief Operating Officer at Phizzle, an IoT software provider focused on digital transformation within the pharmaceutical manufacturing space. Brian also held the position of General Manager of the High-Performance Data Analytics (HPDA) business unit at SGI, which he established and built from inception to a \$50M annual run rate. Prior to SGI, Brian spent 13 years on Wall Street where he was a Chartered Financial Analyst with an exclusive focus on industry research, Financial modeling, and investment recommendations for companies focused on HPC and Data Lifecycle technologies.
